We DOMINATED Accelerated Reader (AR) Challenge in 2016

The annual AR Challenge is set to begin on January 30, 2017. Last year we completely other Lutheran schools nationwide by finishing in the top 5 as a school with several of our classes taking 1st for their grade level. All students must be independent readers (grades one-eight.) Our goal is to take **FIRST** this year! The challenge will run until the first week of March.

The purpose of this challenge is to provide incentive and motivation for our children at Lutheran schools to read more, get smarter and have fun. Reading for this contest can occur anywhere the children are – at home, at school, in the car, etc. All reporting of points will be done by Mrs. Baker, our AR coordinator, each week. Good luck, students!

Referral Program for Good Shepherd!

It starts with you. Refer a family to GSLC, encourage them to set a tour date. When the family enrolls and stays for at least one semester, the school will give you a \$200 credit toward tuition. Please see the attached brochure for more details. Help spread the word about this great school!
